Preble County Fair under way

EATON — The 174th "Famous" Preble County Fair kicked off on Saturday, July 27, bringing with it all the excitement Junior Fair competition holds each year. The parade allowed 4-H and other groups to show off, and followed the annual Veterans Memorial Service in the grandstands. Several Junior Fair and Open contests were held Saturday and Sunday, and visitors could of course enjoy all the food and fun the midway had to offer. Saturday evening ended with the initial demolition derby of the week, and Sunday included harness racing action. Sunday's fun in the grandstands concluded with a straw stacking contest.

Preble County Fair highlights

The Preble County Fair closes on Saturday, Aug. 3, after a week full of Junior Fair and open livestock shows and competitions, rides, fair food and family entertainment ranging from demolition derbies to tractor pulls and more. The fair will close with a “bang” Saturday, with the second demolition derby of the week, a derby which traditionally pulls large crowds and many who want one last evening at the county fair.
